

WHAT IS #ONEARCTIC

ABOUT ONE ARCTIC

SIOI - UNA Italy in partnership with the United States Diplomatic Missions in Italy, is launching the first international simulation of the Arctic Council to be played in Italy (Rome) at SIOI - UNA Italy and Farnesina premises from 2 to 5 May 2017.

The Arctic is the most vulnerable region on the Earth which is affected by ongoing global warming and economic exploitation.

The Arctic Council is the preeminent international forum promoting cooperation, coordination and interaction among its members in particular on issues of sustainable development and environmental protection in the Arctic.
