

#ZEROHACKATHON

THE FIRST YOUTH COMPETITION FOR A SUSTAINABLE FUTURE

ROME FAO 30 NOVEMBER - 2 DECEMBER 2016

The Italian Society for International Organization (**SIOI - UNA Italy**) in partnership with the **United States Diplomatic Missions to Italy**, with the technical support of the Food and Agriculture Organization of the UN (**FAO**), is launching the first youth competition for a sustainable future: **#ZEROHackathon**. From 30th November to 2nd December 2016, brilliant young minds will be invited to tackle significant issues, such as the Sustainable Development Goals (SDGs), climate change, the "zero hunger generation", food and agriculture, environmental crimes and marine life, at the wonderful setting of the FAO Headquarters in Rome. **#ZEROHackathon** will lead the way to a completely new approach for critical thinking, problem solving, co-designing in order to find concrete solutions to international real challenges.
